DCSF require LEAs to quote a "Notional SEN Budget" for all schools, and the above figures show the resources identified as being SEN related in 2009/10.

All amounts quoted are already included in the original 2009 budget shares .

This is not an indication of how resources must be spent - it is the responsibility of headteachers and governors to ensure that the special educational needs of pupils are met from within the entire funds available to the school.

Additionally, "top-up" payments for pupils with Low Incidence statements will continue to be made on a termly basis.

The previous SEN Standards Fund allocations have now been incorporated, along with several other allocations into the School Development Grant.
