DfE require LA's to quote a "Notional SEN Budget" for all schools, and the above figures show the resources identified as being SEN related in 2011/12

All amounts quoted are already included in the original 2011 budget shares .

This is not an indication of how resources must be spent - it is the responsibility of headteachers and governors to ensure that the special educational needs of pupils are met from within the entire funds available to the school.

Additionally, "top-up" payments for pupils with Low Incidence statements will continue to be made on a termly basis.

Schools Forum has agreed that the SEN propensity model results used for Units A, B and C should be the average for three years i.e. the unweighted average of the 2008, 2009, 2010 results.
