Teach road safety and save **LIVES!**

Beep Beep! Day is an educational and fundraising event you can run on any day.

Brake, the road safety charity, has created a special event called Beep Beep! Day to help you kick-start your road safety learning and support our vital work. Whether you are a nursery, infant school, child minder, playgroup or children's club organiser, you can take part! You can choose to run your Beep Beep! Day on ANY day of the year.

Organised by

www.brake.org.uk Registered charity No. 1093244

Kindly sponsored by

The day provides an opportunity for you to teach simple lessons, such as holding hands and the word 'STOP', while children do fun activities, such as using ride-on toys on a marked route in a secure playground or hall, or making a giant poster of hand prints with the message 'We hold hands!' You can use Beep Beep! Day to help raise valuable funds for Brake and our work supporting families bereaved by road crashes.

We send you stickers, posters, certificates and other fun give aways if you take part in Beep Beep! Day!
