THE HAMPSHIRE (HEATH ROAD EAST & PULENS LANE, PETERSFIELD) (ROAD HUMPS) ORDER 2026

Statement of Reasons

Heath Road East and Pulens Lane is a single lane carriageway, which has a single footpath along the East side of the road.

The current perception of this stretch of Heath Road East and Pulens Lane is that of an intimidating road dominated by traffic which is not inviting to vulnerable road users. It is therefore preposed that 4 road humps/raised tables are to be implemented either side of the crossroad where Durford Road meets Heath Road (between two points approximately 75 metres south-west and 200 metres north-east of said crossroad), to reduce the traffic speeds and improve safety along this stretch of Heath Road East and Pulens Lane.
